Events & Opportunities

Native Plant Walk Up Sale

March 14, 10:00 AM - 4:00PM

March 15, 11:00 AM - 3:00 PM

Pierce Conservation District Office, 308 W Stewart Ave, Puyallup

Calling all native plant enthusiasts! Mark your calendars and join us at the Pierce Conservation District for the Pierce Native Plant Sale—a must-visit event for nature lovers and anyone looking to bring more biodiversity to their yard. Explore a diverse selection of native plants, perennials, and seeds while discovering unique offerings from local vendors, including handcrafted art, specialty teas, mushroom grow kits, bat houses, habitat yard certifications, and even more plants! Don't miss this chance to stock up, connect with fellow plant lovers, and support local ecology. See you there!

Edible Garden Workshops

Virtual & In Person

March 8 & 15th

Are you a beginner gardener looking to learn about full circle gardening, from planning your garden to putting your garden to bed? If so, Harvest Pierce County is offering their free Edible Gardens Class series currently. In March you will find classes covering Garden Soils and Growing in Containers. Click the link to find the classes you are interested in, paying attention to the dates, times, zoom options, and if there is an outdoor demonstration. We hope to see you there!

PCD 2025 Board Member Election

Unofficial Results Soon

Our third-party ballot tabulators, Opsahl Dawson & Company Advisors LLC are currently verifying and counting ballots submitted in the 2025 Board of Supervisors election. We expect to receive their unofficial results report by March 11th, 2025.

Unofficial election results will be posted to our website and social media as soon as they are made available to PCD. These results must then be confirmed by Washington State Conservation Commission (WSCC). Official election results will be announced by WSCC at their May meeting.

IMPORTANT ELECTION DATES

Election Unofficial Results Announced - March 11, 2025

Election Results Verified by WSCC - May 2025

Representatives from local municipalities enjoying the festivities.

**Celebrating Another Excellent Year
with our Community!**

Pierce Conservation District just held our Annual Celebration on February 26th! Last Wednesday, we opened Pioneer Park Pavilion's doors to approximately 150 people as we reflected on an excellent year and looked forward to the rest of 2025 together...

In the Conservation Community

[Key Peninsula Forests, Ecological Forests and Champion Trees](#) - Learn about forests and how to keep them healthy and vibrant. Chris Rurik will share stories from his quest to find the largest trees on the KP. Chris will then officially launch Forest Stewards of the Key Peninsula by describing the group's vision: "Forests are a keystone of life on the Key Peninsula—and treated as such."

[Hands-on Hedgerow Installation Workshop](#) - This yearly conference discusses opportunities and stressors for the North American forest industry. Topics will highlight ongoing trends, issues, market forces, and helpful strategies.

[Washington State Dept of Commerce Agritourism Research Project](#)- The Washington State Agritourism Study was commissioned by the Washington State Legislature through the WA State Department of Commerce and seeks feedback. Your feedback will guide the study and report, influencing policies and strategies in Washington's agritourism industry.

[Free Virtual Farm Employment Law Workshop](#) - Join WSDA Regional Markets, Farm Commons, and Washington State Labor & Industries (Lni) to learn about farm employment law and the Lni Farm Internship Program.
