

Events & Opportunities

Pierce County Flood Recovery Resources

We're continuing to see impacts from December's flooding event. If your farm or personal property has been impacted by flooding, it is **critical** that you document damage or losses with photos that are date stamped (many phone cameras do this automatically). This is **REQUIRED** for many financial and disaster assistance programs. Thank you to those contributing to the ongoing effort for disaster relief, and for supporting one another during this time.

[More Resources](#)

Last Chance to Pre-order Native Plants - Jan 15

Your yard or balcony could be the landing spot for your local ecosystem! The Pierce Native Plant Pre-order Sale is your opportunity to get native plants at a low cost. The prices beat any nursery in your area, and you get to watch your plants grow from bare roots to a lush plant, and eventually a functioning part of your yard's ecosystem.

Pre-orders close on January 15th. Orders will be packed for pick up in early March.

We Are Hiring!

Pierce Conservation District is currently hiring for the following positions.

Habitat Improvement Program Director - This position plays a key leadership role in restoring ecosystems that are vital to the health and wellbeing of fish, wildlife, and people across our region.

Community Green Stormwater Program Manager - Designs water quality landscape projects (lawn-to-urban habitat conversion, rain gardens, pavement removal, etc.) and manages our Community Ambassador Program.

Farm Planning Contract Employee - A current or former District or NRCS employee to write farm resource management plans for livestock producers in the Puyallup Watershed currently on PCD's farm plan waiting list.

Get Ready to Swap Seeds

Sunday, February 1st
330 South Meridian Puyallup, WA

Harvest Pierce County's annual Seed Swap is an opportunity for community to come together and celebrate the majesty of seeds by sharing, swapping, and learning about these tiny things we bury in the soil that grow into plants that nourish and delight us. Join us at the Pioneer Park Pavilion for a day of education, food, and seeds.

Participate in PCD's Strategic Plan

Pierce Conservation District's Board and leadership invite you to participate as we review and draft our strategic plan for the next five years. We intend to provide opportunities to give input in the first quarter of the year. Together, we'll set the agenda for 2027 and beyond. More details to come, and we hope you will consider participating when the time comes.

Review Previous Strategic Plans

Annual Celebration
Moved to Summer

Based on feedback from participants, we are combining our Volunteer Appreciation Event and Annual Celebration into one big celebration this June. It will still be an evening of recognition, refreshments, and reflection and we can't wait to see you there!

News from Pierce CD

Students hunt for macroinvertebrates collected from the creek as part of their spring outdoor experience.

Spawning Grounds Lead to Student Stewardship

This fall marked the beginning of a salmon life cycle adventure for third grades in the White River School District. In the first phase of the program, students explored South Prairie Creek Preserve, where they saw pink salmon digging redds creating a safe place for their offspring to develop. Thanks to ...

In the Conservation Community

Pierce Conservation District hosts a [Green Events Calendar](#) where we display Green Events in the county near you!

[Pier Into the Night](#) - Join Habor WildWatch for an underwater adventure where you stay dry (or at least not salty) on the dock as divers team up with an underwater ROV to live stream exactly what they encounter below the surface.

[Green Blocks: Hilltop Tree Requests](#) - Tacoma Tree Foundation's Green Blocks program opens for requests in January; get your request in for the Hilltop area by February 2nd!

[10th Annual Whatcom Farm Expo](#) - Join Whatcom CD for the 10th Annual Whatcom Farm Expo. This year's event features more hands-on workshops, one-on-one time with experts, a youth engagement area, live animals, local exhibitors, and great local food — all celebrating a decade of growing together.

[Tacoma Home and Garden Show](#) - Meet with real people and get your home and garden questions answered.
