Miller	Judith	Prefers email	<a href="mailto:babylonfarm@hotmail.com">babylonfarm@hotmail.com</a>	Tacoma/Brookdale	Hog, goat, rabbit, poultry (both chicken & duck). Horse ONLY is available at a different location	Wood shavings is the primary bedding used. Sometimes the bedding pellets is used for some species, which provides a 'finer tilth' in the finished compost. Typical straw/hay scraps and lawn/kitchen compostables are included. Yes, composted inventories available; some as old as 4 yrs.  Only a fee for our use of tractor, so "self-loading" in own containers would be free.
