Toll Free: 866.845.9485

Listed below are local nurseries that supply native plants and organic/sustainable products. These businesses have demonstrated an understanding of sustainable landscaping principles. They understand the framework and expectations of Pierce Conservation District's programs.

As an approved program participant, you may purchase plants from any nursery you desire. If they are not on this list, please have them contact Robb Krehbiel, Green Stormwater Program manager, at 253-845-9770 (ext. 136) or via email: [robbk@piercecd.org](mailto:robbk@piercecd.org) to start the approval process.

Listed below are regional landscapers and contractors that have either completed a local training on sustainable landscaping or worked with PCD on previous green stormwater projects. These businesses have demonstrated an understanding of Low Impact Development (LID) techniques and sustainable landscaping principles. They understand the framework and expectations of Pierce Conservation District's programs.

As an approved program participant, you may select any contractor you desire. If they are not on this list, please have them contact Robb Krehbiel, Green Stormwater Program manager, at 253-845-9770 (ext. 136) or via email: [robbk@piercecd.org](mailto:robbk@piercecd.org) to start the approval process.
