Jeffrey Falkner	(253) 719-4851	<a href="mailto:Jeffrey.falkner@live.com">Jeffrey.falkner@live.com</a>	Eatonville	Goats	Composted. They can load with a tractor. Can deliver with a dump trailer. USDA Certified organic operation.
Jodi Morris	253-847-9506 M,W 10 AM - 3 PM		Spanaway	Horses	Pelleted and pine shavings, manure, some hay, not composted. Can load with tractor on Monday and Wednesday between 10-3pm, you can come load with shovel any day of the week.
Judith Miller	Prefers email	<a href="mailto:babylonfarm@hotmail.com">babylonfarm@hotmail.com</a>	Tacoma, Clover Creek	Hog, goat, rabbit, poultry. Horse manure ONLY is available at a different location	Wood shavings is the primary bedding used. Sometimes the bedding pellets is used for some species, which provides a 'finer tilth' in the finished compost. Typical straw/hay scraps and lawn/kitchen compostables are included. Yes, composted inventories available; some as old as 4 yrs.  Only a fee for our use of tractor, so "self-loading" in own containers would be free. Size of small tractor limits loading height equal to the top edge of standard truck bed.

Kathy Vetter	(360) 829-0500	<a href="mailto:vetent@centurytel.net">vetent@centurytel.net</a>	Buckley	Horses	Composted, some plants growing on it. Call first. Can load with tractor with prior notice.
